December, 2011

## BOARD APPROVES LAPTOP PURCHASE!

All teachers in grades 6-12 have been engaged in professional development focusing on using technology to transform teaching and learning from teacher-centered to student-centered. As we move forward with expanding technology resources in our district, one of our primary goals will be to enhance how teachers are teaching and students are learning.

**Target date—  
January 16th!!!!  
“Roll Out” Event!**

The Treynor 1:1 committee has spent the last three months reviewing and testing over twelve different laptops and computing devices in an effort to identify the technology that will best meet the needs of our students and staff. At the November school board meeting, Mrs. Bailey, representing the 1:1 committee, recommended the purchase of 265 Lenovo Think Pad computers for all students in grades 9-12. After reviewing the bid tab from various vendors for laptops, software, licenses, carrying cases and peripheral equipment, the board enthusiastically approved the recommendation.

The board approved using existing PPEL funds to purchase the 265 laptops for the price of \$165,750 (\$625 per computer). After totaling all costs associated with purchasing the laptops, management appliance, carrying cases, DyKnow software, Microsoft licenses, anti-virus software and network printers, the first year cost will be \$197,162 with an estimated annual license renewal fee of approximately \$10,215 per year.

At this time, we are striving to have the new laptops in our high school students' hands early in the second semester. The 1:1 committee and administrative team will spend the next two months finalizing the implementation plan and planning the "Roll Out" event. *We have tentatively set Monday, January 16 as our target date for distributing the laptops to our students in grades 9-12. If you have a student in grades 9-12, please keep this evening open on your family calendar.*

Thank you for your continued support of our Treynor students and staff!

### Special points of interest:

- ✓ Technology is transforming teaching and learning—from teacher-centered to student-centered.
- ✓ Treynor's 1:1 committee has spent the last 3 months reviewing and testing technology devices.
- ✓ The board approved the purchase of 265 Lenovo Think Pads.
- ✓ Total cost—\$197,162.
- ✓ Set aside the evening of Jan. 16th!

## HOLIDAY MUSIC CONCERTS

Fifth and sixth grade band students will be in concert on Monday, December 5th at 7:00 p.m. in the high school auditorium. Following their concert, sixth grade students will entertain parents, family and friends, also in the high school auditorium.

On Monday, December 12th, the junior high choir and concert band will have their concert at 6:30 p.m. in the high school auditorium. There will be a short break and the high school will present their concert at 7:45 p.m. The Music Boosters will be hosting a bake sale in the Middle School Commons following the concert.

The 4th Grade vocal concert will be held on Thursday, December 15th at 7:00 in the high school auditorium.

## CAUTION: Changes in weather arriving soon

As the weather begins to change, school cancellations and early dismissals can occur at anytime. If severe weather causes school to be cancelled prior to the start of the day, we will try to have information to the media by 6:30 a.m. In addition to our school website, the media outlets that will carry our announcements this year are: **KMA, WOWT, KMTV and KETV.**

If weather or unforeseen circumstances (loss of power or water) should occur during the school day and school is dismissed early, PLEASE HAVE A PLAN IN PLACE WITH YOUR CHILD. When early dismissals occur during the day, we usually have limited time to get information out and many parents aren't aware that an early out has taken place. Also, we have over 750 students in the district and only a couple of phone lines in each building. Don't assume that your child will be able to call you if a decision is made to dismiss school during the regular day. Have a plan in place! The elementary has forms for each parent to keep updated outlining your family's specific plan to deal with this type of situation. Parents of middle school and high school students need to discuss with their child what plan of action they will take in the event of an early dismissal during the school day. Proper planning now will provide assurance to you and your child that all will be okay should we ever have an unforeseen early dismissal.

***COMING SOON: A new Parent Notification system has been purchased to allow Treynor school officials to communicate school cancellations, early dismissals, emergency information, activity schedule changes and general notices or announcements to parents in a timely and efficient manner. The vendor is currently working to get the new system up and running. Once the new system is active, parents will have the ability to sign up and select multiple methods for receiving notifications from the school (direct phone calls with recorded voice messages, text messages, emails, text-to-speech, TTY, Facebook, Twitter, and RSS). Be watching the website for updates regarding this new and exciting service.***

# FROM THE ELEMENTARY PRINCIPAL'S DESK

Wow-hard to believe that November is gone and that Christmas vacation is in sight. Our students continue to perform well both in and outside of the classroom. Much of the credit goes to you as parents as you continue to provide the necessary support for them to achieve success ☺. Thanks for all that you do!

Our students had a great month and were able to be involved in a multitude of activities. Included was CAPOW science night, 1st and 2nd Grades to Hansel & Gretel at The Rose Theater, student deposits in Cardinal Branch Bank, Lunch with Mr. Larsen, elementary book and art clubs, 5th Grade Veteran's Day music program, 3rd Grade Cognitive Aptitude testing, Cards for Success drawings, and the 2-E Class of the Month pizza party. Our 5th Graders also had the opportunity to watch the dress rehearsal of the HS musical, "Night at the Wax Museum". December will provide more of the same, plus 5th Grade band concert, 4th Grade music concert and classroom parties.

December also ushers in the arrival of winter and the change in seasons so many of us dread ☹. Please remind your children to dress warmly and make sure they are equipped with mittens, stocking caps and boots on those treacherous days. Also, students are not allowed in the building until after 8:05 a.m., so please make an effort to see they are not here too early.

As always, please contact me if you have questions, comments or concerns on happenings here at the elementary school!

Mr. Larsen  
Principal

# UPCOMING ELEMENTARY EVENTS

December 5	5th Grade Band Concert @ 7:00 p.m.
December 7	Elementary Book Club @ 3:30 p.m.
December 14	Elementary Art Attack @ 3:30 p.m.
December 15	4th Grade Music Concert @ 7:00 p.m.
December 21	Elementary Book Club @ 3:30 p.m.
December 22	Elementary Christmas Parties @ 12:15 p.m. 1:30 p.m. Early Dismissal & End of 2nd Quarter
Dec. 23—Jan. 3	No School—Christmas Vacation
January 4	School Resumes

# CASH FOR STUDENTS

The "Cash for Students" program has begun! Hy-Vee cash register receipts dated from September 1 through December 31, 2011 will be collected in the Elementary, Middle School and High School offices. Hy-Vee gives back \$1.00 for each \$200 spent in any of the 13 Hy-Vee locations in the metro area up to a maximum of \$2,000. Over \$365,000 has been donated to are schools as the result of this program. All of our proceeds go to the Athletic Booster Club. Remember to save your receipts and turn them into any of the school offices!

# NOTES FROM THE MIDDLE SCHOOL/HIGH SCHOOL PRINCIPAL.....MRS. BERENS

Semester Tests	December 20th & 21st
End of 2nd Quarter with 1:30 Early Dismissal	December 22nd
Christmas Vacation	December 23rd—January 3rd
School Resumes & start of 3rd Quarter	January 4th
Teacher In-service—No School	January 16th

**Parents—check out the tips on internet safety for your kids & teens!**

Recently, I read an article about internet safety for kids and wanted to share this with parents in our community. The following tips come from an article that was published through "Internet Safety for Your Kids and Teens".

- ◆ Under no circumstances should personal information or anything which you can be identified with ever be revealed online.
- ◆ At the same time, no personal information of anyone else should ever be revealed online. This includes details such as: profession, office timings, etc. as predators will obviously plan to make a visit when nobody else is at home.
- ◆ Uploading of personal photos and videos online are strictly forbidden. Not only are these going to attract online predators, but they can be misused in the wrong hands.
- ◆ Downloading from the net should only be done if in the knowledge of your parents, as some software is meant to be harmful. Parents can ensure this by using an efficient parental control program.
- ◆ Maintain a good online reputation by treating others as you wish to be treated.
- ◆ Every care and caution should be exercised before welcoming any online friends no matter how friendly they are. Online and sexual predators will always take on an assumed identity with an attractive persona.
- ◆ Any encounter which puts you in an unpleasant experience or anything which is uncomfortable to you should be brought to your parents' attention.
- ◆ Do not reveal your personal information no matter how close or friendly the other person is to you.
- ◆ Likewise, do not agree to meet them without bringing it to the knowledge of your parents. Your parents will always decide and arrange what is best for you keeping in mind your security.
- ◆ All login user ID's and passwords are to be kept secure and protected always.

They suggest that parents discuss cyber bullying with their children. Make it very clear to them that all actions taken above are not only for their safety, but that of the family, too, and that you are depending on them for this.

## *Cardinal Financial Literacy Update*

The TS Bank – Middle School Cardinal Branch officially opened on November 9<sup>th</sup>. **6<sup>th</sup> – 8<sup>th</sup> grade parents – please encourage your students to participate!** We offer great prizes for students as they reach savings goals and students do not have to be TS Bank account holders to participate. What a great way to teach young people how to be wise money managers and long term goal planners! Please contact Mr. Mantell at 487-3181 with questions about this program.

The TS Bank – Elementary School Cardinal Branch is off to another great start this year! As of November 15<sup>th</sup> **547** deposits have been made totaling **\$5,307!** This is an excellent way to teach students the value of saving. It also provides a real world opportunity for students to practice money management skills they learn in class. Thanks to all for making this a terrific program!

Elementary students participated in a poster contest to decorate the in-school bank for the holidays. Each winner receives a \$5 deposit in their bank account and the overall school winner will have lunch with TS Bank President Josh Guttau! The winners are:

- Kindergarten – Ryder Davidson (Mrs. Lammert), Aubrey Keesee (Mrs. Campbell), Camille Karr (Mrs. Waymaster)
- 1<sup>st</sup> Grade – Grace Alff (Mrs. Vohs), Addison Darrah (Mrs. Hare), Whitley Tiarks (Mrs. Travis)
- 2<sup>nd</sup> Grade – Payton Chapman (Mrs. Robinson), Aalanah Buckingham (Ms. Hopkins), Austin Aldabute (Mrs. Elwood)
- 3<sup>rd</sup> Grade – Mia Shipley (Mrs. Larsen), Joslyn Iliff (Mr. Sutherland), **Bergynn Kinnison OVERALL WINNER!** - (Mrs. Halterman)
- 4<sup>th</sup> Grade – Allison Young (Mrs. Richter), Grace Kinsella (Mrs. Campbell), Alex Anderson (Mr. Horton)
- 5<sup>th</sup> Grade – Jessica Vohs (Mrs. Jarrett)

Approximately 30 of our 2<sup>nd</sup> and 4<sup>th</sup> grade students participated in a fundraising event at TS Bank/Hy-Vee in Council Bluffs on November 12<sup>th</sup> and 19<sup>th</sup> to help a local Treynor family. Students served apple cider in return for freewill donations and raised **\$1,080** for Kim Rolf and her family. Kim was in a severe car accident 2 years ago and recently had to have one of her legs amputated as a result. The funds raised by our students will help offset some of the Rolf's medical bills and will make their holiday season a little brighter. Thanks to all of our students who have generously given their time for such a worthy cause and a special thank you to Jann Strutzenberg, our Elementary Guidance Counselor, for working with TS Bank employees to make these events a great success!

Ms. Anderson's Multimedia class recently participated in a national video contest called "Give Yourself Some Credit". Students were tasked with creating interesting and attention getting videos about credit for young adult audiences across the country. The video submission from Garrett Bazell, Nick Carolus, Garrett Gibson, and Chris Zimmerman finished in the top 10 nationally! Their "Life of a Credit Card" video can be viewed at <http://consumerjungle.org/contests/give-yourself-some-credit/life-of-a-credit-card>.

Thank you,

Bob Mantell  
Director of Financial Literacy

# HEY KIDS!!

Saturday, December 10, 9-11 a.m.  
(Treyner Elementary School)

COME VISIT MR. & MRS. SANTA CLAUS AND MAKE PRESENTS FOR MOM, DAD, GRANDMA, & GRANDPA AT SANTA'S WORKSHOP. THERE WILL BE A SELECTION OF CRAFTS TO MAKE FOR EVERYONE ON YOUR SHOPPING LIST FOR \$1.00-\$1.50/ITEM. PLEASE BRING YOUR CAMERA TO TAKE PICTURES.

WHILE YOU ARE BUSY VISITING SANTA, MOM/DAD CAN VISIT THE COOKIE WALK AND PICK OUT A SELECTION OF SWEETS FOR THE WHOLE FAMILY TO ENJOY. COST IS \$5.00/BUCKET.

### The College Financial Aid Puzzle

January begins the financial aid season for prospective college students. The following article is to present students and parents with basic information to assist in understanding the financial aid process. The next two articles are a basic re-print from last year with current dates.

#### Steps for Filing the FAFSA

The major form to fill out is the Free Application for Federal Student Aid (FAFSA). This form cannot be completed until after January 1. It can be done two ways. One way is to fill out a paper form. Those are available from Mr. Irvin. The other and most recommended way is to fill out the FAFSA on-line. It is recommended to file on-line because the student's financial aid numbers get to the Department of Education and specific colleges within seven to ten days. The paper FAFSA will take about three weeks. The on-line version is also the most accurate. The Department of Education is actually phasing out paper FAFSA applications. Here are the steps to follow to file the FAFSA:

- 1) In December register for a personal identification number (PIN). This is an electronic signature on the FAFSA on-line. Both the student and one parent should register for a PIN. To register for a PIN go on-line to [www.pin.ed.gov](http://www.pin.ed.gov). It is not required to have a PIN to file the FAFSA on-line, but it makes it more convenient and faster.
- 2) If possible after January 1, try to get income tax forms done as soon as possible. It makes it easier to do the FAFSA. If that is not possible, parents can do an estimate of income on the FAFSA. It is not required to have your income tax return finished before you do the FAFSA.
- 3) Pay close attention to the financial aid priority date for the particular college that a student is interested. The FAFSA needs to be done before that date to have the best chance for financial aid. Contact the college financial aid office or go to [www.icansucceed.org](http://www.icansucceed.org) on the Iowa College Access Network (ICAN) College Planning Center website to find out specific financial aid priority date.
- 4) When parents and students have their income information, fill out the FAFSA. To complete the FAFSA on-line go to [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The website will have a number of links to give information. There will be a link to fill out a FAFSA for the first time.
- 5) After filing the FAFSA, the Department of Education will send students either by email or by postal mail a Student Aid Report (SAR). The SAR is a report of the financial aid information that has been filed on the FAFSA. It is a check of information. If any information is not correct, it can be corrected either on the FAFSA web site or on paper by postal mail. Important: Keep a copy of the Student Aid Report for future reference.
- 6) The major information that the FAFSA generates is an Expected Family Contribution (EFC). The EFC is an index based on the family/student income and assets that is used to determine eligibility for financial aid programs. College financial aid offices will receive the student's EFC and financial aid information from the Department of Education. The college

will then generate a financial aid award package that will be sent to the student to accept or decline for any student who has been granted admission.

### More Information on College Financial Aid

- 1) If you have questions about your particular financial aid situation, the three major sources of free information are Mr. Irvin, School Counselor, 487-3181; ICAN College Planning Center 877-272-4692 (a counselor is there Monday and Friday 8:00-4:30; Tues, Wed. Thurs. 8:00-5:30); your student's college financial aid office.
- 2) Several organizations contact families on financial aid. Many charge a fee for their services. Generally, any information that a family receives from an organization for a fee can be received for free from your guidance counselor, ICAN College Planning Center, or college financial aid offices. Anytime that a company contacts you and wants money to help with financial aid, ACT testing, or career guidance, more than likely they are charging for services that you already receive free through the school counselor. If you are not sure about a company or organization, please give Mr. Irvin a call.
- 3) Several Internet sites exist that will charge a family a fee for their service. One such site is [www.fafsa.com](http://www.fafsa.com). This is not the Department of Education site. This site will charge about \$80 to file a FAFSA. The correct Internet address for the Department of Education is [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Be careful to go to the correct web site.
- 4) Many families who make higher incomes are tempted to not file the FAFSA. Most colleges will encourage all families to file the FAFSA. College financial aid offices want to make sure that as much federal and state aid can be used to fill student's financial need. To determine this, a FAFSA must be filed. Also for any federal based student loan, a FAFSA will be required.
- 5) What alternatives does a parent or student have if the family financial situation changes drastically after the FAFSA has been filed? A student can request from their college financial aid office to make a professional judgment. A professional judgment is a special adjustment in financial aid when an unexpected event occurs (ie. a job layoff or extended illness of a parent) that will negatively impact family income. If a family has filed their FAFSA and one of the parents loses their job or has a long illness and cannot work, the student can ask the college financial aid office to do a professional judgment and adjust financial aid because the reported parent income will be lower than expected. This is totally within the prerogative of the college financial aid office.
- 6) When the EFC is computed on the FAFSA, student income is given more weight than parent income. If a student has been saving money for college for a car or a computer, it is advisable to go ahead and purchase the item before filing the FAFSA. Then the money will not show up as student assets.
- 7) Many families will receive letters to participate in a verification process. What is involved is to send copies of the parent and student income tax returns to verify income. Colleges are required by the Department of Education to verify a certain percentage of their students. Many of those verifications are done by random. If a parent estimates income on the FAFSA, then the college will be required to have the parent verify their income by providing copies of their income tax return.
- 8) The major rule of thumb involving questions of financial aid is to contact your student's prospective college financial aid office to have them interpret and rule on specific situations.

### Scholarships

Scholarships come in all sizes and types. There are numerous criteria and whole number of various factors. Here is some information about helping seniors and senior parents apply for scholarships.

- 1) Types of Scholarships. Scholarships are designed with certain priorities in mind. Most are going to fall into one or several categories such as need based, academic, community service, career based.
- 2) It is best if seniors sit down and compile basic information into a portfolio to be used to complete scholarship applications. Seniors need to compile information such as activity participation, awards and honors, community service activities, references. Do not be modest. Be sure to compile all awards, activity participation, and community service.
- 3) Two good scholarship search websites are [www.fastweb.com](http://www.fastweb.com) and [www.collegeboard.com](http://www.collegeboard.com). On the FastWeb site, a student fills out a profile and FastWeb will send emails that will match their profile.

- 4) Many scholarships want essays written to address a topic of the scholarship. Students need to use good grammar and spelling along with creating a neat application.
- 5) Pay close attention to scholarship deadlines. If a scholarship requires a recommendation, please contact the person writing the recommendation well ahead of the deadline.
- 6) Mr. Irvin can assist students to look for scholarships, but most of the work will have to be assumed by the student. But do not hesitate to consult him for help.

### Scholarship Central

Scholarship Central is your one stop information center for scholarship information on the Treynor website ([www.treynor.k12.ia.us](http://www.treynor.k12.ia.us)). Scholarship Central is found by moving your mouse to the Counseling Link on the Treynor website and then click on Scholarship Central There is a links box on Scholarship Central that will lead to helpful scholarship websites that include scholarship searches, scholarship hints, and links to two local scholarship websites.

### FAFSA Form Day

On February 17, 2012, Treynor High School will host a FAFSA Form Day for senior parents who would like assistance in completing the FAFSA Form. The FAFSA is the major financial aid form that prospective college students use to apply for financial aid. More information will be sent out to all senior families about the day in early January.

### Iowa Assessment Tests (Grades K-11)

Reminder that the Iowa Assessment Tests (formerly known as Iowa Tests of Basic Skills (grades K-8) and Iowa Tests of Educational Development (grades 9-11) will be given during the week of March 12-16, 2012.

### Tips for Filing for Financial Aid From the Iowa College Access Network

January marks the start of financial aid season for students planning to attend college this fall. Students need to fill out and file their Free Application for Federal Student Aid (FAFSA) form to qualify for federal financial aid.

The FAFSA is a free form available from the U.S. Department of Education either online at [www.fafsa.gov](http://www.fafsa.gov) or on paper by calling (800) 4-FED-AID. Although students and parents can fill out the form without professional assistance, the forms are often confusing. Use these tips to help ensure the FAFSA is correctly filled out.

**Get PINs.** Each student and at least one parent should request a personal identification number (PIN) from [www.pin.ed.gov](http://www.pin.ed.gov) prior to filling out the FAFSA. The PIN allows parents and students to sign the online form electronically and make changes later.

**Time it right.** The FAFSA should be filed as soon after Jan. 1 as possible and before the priority filing deadlines at schools the student is applying to. Since students' and parents' most recent federal and state tax records are needed to fill out the form, the timing can be tricky. If necessary, tax and income information can be estimated to file the FAFSA in a timely manner; the FAFSA will need to be updated once taxes are filed.

**Be prepared.** Several pieces of information for the student and the parent are needed, including:

- Social Security numbers, dates of birth and driver's license numbers.
- Most recent state and federal tax statements.
- W-2s forms and records of all income from last year (taxed and untaxed).
- Bank and investment statements.
- Farm and business records.
- Alien registration numbers for those who aren't U.S. citizens.

Using the FAFSA on the Web Worksheet from [www.fafsa.gov](http://www.fafsa.gov) helps families organize information and understand how to fill out the FAFSA. A free virtual presentation on filing the FAFSA found at [www.ICANSucceed.org](http://www.ICANSucceed.org) also shows the steps involved.

**Be complete and accurate.** Filers should read all the directions carefully and fill out the form completely and accurately. Students and parents with questions can visit [www.fafsa.gov](http://www.fafsa.gov) or contact the Iowa College Access Network<sup>®</sup> (ICAN) for free assistance. Call (877) 272-4692 to make an appointment for one-on-one help over the phone or in person at either the Cedar Rapids or West Des Moines College Planning Center. Free help is also available at Kaplan University in Council Bluffs on Feb. 23 and Feb. 26, 2011, during Iowa College Goal Sunday. Visit [www.iowaCGS.org](http://www.iowaCGS.org) to learn more.

**File electronically.** Filing electronically is quicker than completing a paper form. Electronic filing also reduces errors and speeds up processing time.

**Repeat once a year.** The FAFSA needs to be filled out each year students plan to attend college.

#### About ICAN

ICAN is the College Access Network for Iowa, as designated by the National College Access Network (NCAN). The ICAN College Planning Centers in West Des Moines and Cedar Rapids provide free information and support to students and their families as they plan their postsecondary education and apply for financial aid. For more information about ICAN, call (877) 272-4692 or visit [www.ICANSucceed.org](http://www.ICANSucceed.org).
