## A MESSAGE FROM THE SUPERINTENDENT...

### HELP US IMPROVE OUR CHANNELS OF COMMUNICATION

As public officials, school board members often receive comments or criticism of the school outside formal communication channels already established by the school district. Constructive comments are beneficial when someone from the public is sincerely motivated to help improve the quality of the school's educational program. However, members of the community must remember that the main role of school board members is to set policy to advance the improvement of the school district. It is the Board's responsibility to tend to the overall educational and financial well being of the school district and to ensure student achievement.

Each Board member's authority rests in the collective, governing action of the entire Board—not in the day-to-day management of the school. It is the responsibility of administrators and school employees to manage and troubleshoot the day-to-day operations of the school. Therefore, when a Board member receives constructive comments or criticism, the Board member can only relay that information to the appropriate school administrator or employee. It is then the responsibility of the school administrator or employee to address the concern or complaint.

The Treynor Community School is asking for members of the community to help us maintain the proper channels of communication by following these procedures:

All concerns or complaints should be addressed and resolved at the lowest level by starting with the employee directly involved with the situation. Here are two examples to demonstrate the proper procedure:

Example 1: If a member of the community has constructive criticism or a concern with a teacher, that person should address the issue directly with that teacher. If a resolution to the situation cannot be reached, the matter should then be referred to the appropriate administrator. If the situation warrants further action, there are procedures and policies to guide the process.

#### Special Points of Interest:

- ✓ Message From the Superintendent
- ✓ Mascot Agreement
- ✓ New Board Members
- ✓ Have a plan in place for the changes in weather
- ✓ School Breakfast
- ✓ Band Uniform Fund Drive
- ✓ Merry Christmas & Happy Holidays!

#### Inside this issue:

- Cardinal Mascot Agreement 2
- New Board Members Take Oath 3
- The Daily Nonpareil 3
- Elementary News 4
- MS/HS News 5
- ISASP 6
- Learning Celebrations 7
- Coaches vs Cancer 8
- Band Uniform Fund Drive 9-10
- Calendars 11-12

## A MESSAGE FROM THE SUPERINTENDENT CONTINUED

Example 2: If a member of the community has constructive criticism or a concern with a coach, that person should address the issue directly with that coach. If a resolution to the situation cannot be reached, the matter should then be referred to the athletic director. If the situation still remains unresolved, the matter should be referred to the appropriate administrator. If the situation warrants further action, there are procedures and policies to guide the process.

The Treynor Community School recognizes the importance of maintaining the appropriate channels of communication. Following the above procedure allows for a more effective and efficient school district. The process ensures that concerns and issues are addressed as quickly as possible. Please help us improve our school by utilizing the above procedures.

## CARDINAL MASCOT AGREEMENT

The Treynor Community School District recently made changes to the procedures it utilizes for the production of items that include the District's Cardinal mascot. The Board of Directors feels strongly that, while these changes result in additional requirements for local vendors who produce these items, the agreement that included these changes was in the best interests of the entire District community and ensured that the District could continue using the Treynor Cardinal mascot that has been used for over forty years and has deep roots in the community.

These changes stem from an agreement the Board of Directors, in consultation with the District's Legal counsel, reached with Iowa State University. The agreement requires the District to use only vendors licensed by Iowa State who operate consistent with the agreement reached between the licensed vendors and Iowa State to produce apparel and other items that include the District's Cardinal mascot.

The District appreciates all the vendors that take the time to produce high-quality apparel and other spirit items for our staff, students, and community. We look forward to continuing to work with these vendors to share the Treynor Cardinal Spirit throughout our community.

## NEW BOARD MEMBERS TAKE OATH

Three new [board members](#) took the oath of office on November 19, 2019 during the regular board meeting. The regular meeting was first conducted and included an official reading of thanks given to outgoing board members Amy Graber, Heidi Guttau-Fox and Sally Myers. Amy Graber served a total of 4 years, Heidi Guttau-Fox served for 3 years, and Sally Myers has served 8+ years on the board. New board members taking the oath of office are Keith Christensen, B.J. Dreyer and Stephen Winchell.

Brandon Vorthmann was elected President and Mickey Stogdill was elected Vice President. Assignments of duties include Keith Christensen, Curriculum; BJ Dreyer, Board Policy Review; and Stephen Winchell, Labor Management. Brandon Vorthmann will continue his Facilities assignment while Mickey Stogdill will continue his Finance assignment.

Board meetings are regularly held on the 2nd Monday of each month. The schedule of meetings for the 19-20 school year can be found on the website under District / Board of Education / [Meeting Dates](#).

## CAUTION: CHANGES IN WEATHER ARRIVING SOON...

As the weather begins to change, school cancellations and early dismissals can occur at any time. If severe weather causes school to be cancelled prior to the start of the day, we will try to have information to the media by 6:30 a.m. In addition to our school website, the media outlets that will carry our announcements this year are: **KMA, WOWT, KMTV and KETV.**

If weather or unforeseen circumstances (loss of power or water) should occur during the day and school is dismissed early, **PLEASE HAVE A PLAN IN PLACE WITH YOUR CHILD.** When early dismissals occur during the day, we usually have limited time to get information out and many parents aren't aware that an early out has taken place. Also, we have over 800 students in the district and only a couple of phone lines in each building. Don't assume that your child will be able to call you if a decision is made to dismiss school during the regular day. Have a plan in place! The elementary has forms [for each parent to keep updated](#) outlining your family's specific plan to deal with this type of situation. Parents of middle school and high school students need to discuss with their child what plan of action they will take in the event of an early dismissal during the school day. Proper planning now will provide assurance to you and your child that all will be okay should we ever have an unforeseen early dismissal.

Our student information database, JMC, will be used for all school notifications (voice, email, text). Please check your contact information to ensure it is up-to-date so you will receive these messages for school closings, late starts or early dismissals. Use the JMC Parent Access portal to check your contact information and make any additions or corrections as needed and to indicate how you want to receive notifications.

## THE DAILY NONPAREIL DESIGNATED AS OFFICIAL NEWSPAPER

At its organizational Board meeting on November 19, 2019, the Treynor School Board designated *The Daily Nonpareil* (Council Bluffs) as its official newspaper for publications and notifications. Treynor Community School will use *The Daily Nonpareil* to publish board minutes, budget information, public hearing notifications, and other important information.

## FROM THE ELEMENTARY PRINCIPAL'S DESK

As we enter this holiday season, I am reminded of the many things I have to be grateful for at our school. Being part of such an amazing community of staff, students and parents is something that I am continually thankful for. I am fortunate to lead an extremely talented staff that gives so much of their personal time and hearts to our children every day. I am also thankful for the strong values our families and community members possess. Without many of you, we would not be able to continue to develop such great young minds.

The holiday season is a wonderful time to promote gratitude in your children. Studies show that children that regularly express gratitude have higher self esteems, live happier lives, have more hope, optimism and empathy. Some ways that you can help instill gratitude in your children are:

- Setting aside a time to express what each member of your family is grateful for each day.
- Having your children write thank you cards for gifts received and to people that have done something special for them (coaches, teachers, neighbors).
- Encouraging your kids to "give back" to the community by volunteering at a local non-profit organization or helping neighbors with projects.
- Giving children opportunities to earn money and purchase portions of items that they want (toys, games, electronics).

I hope this holiday season fills your home with joy, your heart with gratitude, and your life with laughter.

Sincerely,

Ms. Kay

## UPCOMING ELEMENTARY EVENTS

- December 9 ----- 5th Grade Band Concert @ 7:00 p.m., HS Auditorium
- December 10 ----- 4th Grade Music Concert @ 7:00 p.m., HS Auditorium
- December 16 ----- Board Meeting @ 5:30 p.m.
- December 17 ----- 3rd Grade Music Concert @ 7:00 p.m., HS Auditorium
- December 23-January 3 ----- No School: Christmas Vacation
- January 6 ----- School Resumes

## NOTES FROM THE SECONDARY SCHOOL BUILDINGS

**Christmas Vacation: December 23 - January 3**  
**School Resumes: January 6**  
**Semester Tests: January 15/16**

As we transition from Fall to Winter, our students continue to do great things. The musical, *Once Upon a Mattress*, a comedy based on the fairy tale *The Princess and the Pea* was very well done and I congratulate everyone who was part of the performances both on and off stage.

Our annual Veteran's Day Program was held on Monday, November 11 and it was well attended. Thanks to the veterans, the high school band and Emily Morse, Clarissa Weitzel, Ben Boese, Ryan Danker, Tyler Pollock, and Derrick Thompson for their parts in a successful tribute to all veterans.

The district feels it is important to give back to our community! One way we try to instill this in our youth is by having various volunteer opportunities to get them involved. Some of the activities they have participated in during the past month and also this next month are listed below.

- Almost 200 Special Olympic athletes and coaches from Southwest Iowa, approximately 60 Treynor High School boys' and girls' basketball players and cheerleaders joined forces for a Unified Special Olympics Event hosted by Treynor School. This is the 6<sup>th</sup> year we have hosted this event and participation continues to increase each year.
- The Middle School Card Pride groups collected items for this year's "Random Act of Cardinal Kindness - Thanksgiving Meal." The groups were asked to bring in corn, green beans, soup, french fried onions, sweet potatoes, jello, stuffing, au gratin potatoes, fruit, roasting pans, cake or brownie mix, and iced tea as well as money to be used for a gift card to purchase a ham.
- The Middle School Leadership is taking part in the #GivingTuesday712 initiative by having a food drive for Open Door Mission. Their goal is to provide food for families in need during this upcoming holiday season. The food drive began on November 18<sup>th</sup> and will last through December 13<sup>th</sup>.
- The National Honor Society will have a fundraising event for Coaches vs. Cancer at the Friday, December 20<sup>th</sup> home basketball game. All proceeds earned will go towards The American Cancer Society.

On a final note, please mark your calendars for upcoming concerts. The 5<sup>th</sup>/6<sup>th</sup> Grade Band and 6<sup>th</sup> Grade Vocal Concert is scheduled for Monday, December 9 at 7 p.m. in the auditorium. The following Monday, December 16, the JH Band and Vocal Concert will perform at 6:30 p.m. followed by the High School Band and Vocal Concert at 8:00 p.m.

Happy Holidays!

**The Iowa Statewide Assessment of Student Progress will be sent home to families mid-December. Below is helpful information about the tests and the results expected.**

The Iowa Statewide Assessment of Student Progress (ISASP) replaced the former Iowa Assessments, with students taking the new tests for the first time in spring 2019. Iowa Testing Programs at the University of Iowa oversaw the test's development and administration. English language arts and math tests were given to students in grades 3 through 11, while science tests were given in grades 5, 8, 10. The ISASP was developed to specifically align to the Iowa Core and better reflect what is being taught in Iowa classrooms and how students are progressing toward grade-level expectations.

Student performance on the ISASP is scored in three ways: Advanced, Proficient, and Not Yet Proficient. It is important to know that because the new state test is more aligned to Iowa's academic standards, it is more challenging. The results from the spring 2019 testing will re-set the baseline for future progress on the new state test. These results should not be compared to results from previous years because the state test is new and different.

**Changes in Results Due to Change in State Assessment**

The ISASP results cannot be directly compared to previous state results due to a number of factors (see table below).

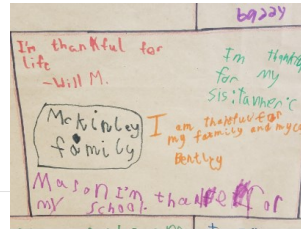

ISASP	Prior to ISASP
All students in the state were tested in the spring of 2019. Treynor students tested the week of April 8, 2019.	Schools had the option to test at any time throughout the year
ISASP was developed to be specifically aligned to the Iowa Core	A national assessment was used
English Language Arts standards in reading, writing, and language were measured	Only standards in reading were measured
Essays and constructed-response questions were included in addition to multiple-choice questions	All questions were multiple-choice
Grade-specific content (as defined by the Iowa Core) was measured	Content across two grades was measured
A standard-setting study was completed to define cut scores for the three levels of performance.	A statistical procedure was used to define cut scores for the three levels of performance.

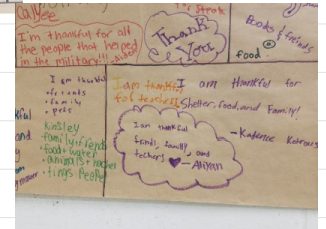

# LEARNING CELEBRATIONS

**2nd Grade Science**

**Gratitude Graffiti Wall**

**4th Graders design a Thanksgiving parade route using google earth.**

**6th Grade, aspiring teacher, Hailey Bothwell, created a Jeopardy game for her classmates based off the of novel they are reading in class.**

**8th Graders perform their Harriet Tubman skits.**

**Foods and Nutrition class made soup for the staff. It was great!**

## COACHES VS CANCER—FRIDAY, DECEMBER 20

## SCHOOL BREAKFAST

The positive impact of breakfast on academic achievement is well documented. Late bus schedules, busy morning routines, lack of awareness, and stigma are some of the reasons students go without eating.

A great breakfast program is offered at school every day!

Here are some fun facts about school breakfast:

- ◆ *It's easy!* Instead of running around in the morning trying to make sure your children eat a healthy meal, let us do the work. They can get a great breakfast at school, and there will be no dishes for you to wash!
- ◆ *It's affordable!* If qualified, your child may be able to get breakfast at a reduced price or for free. If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast.
- ◆ *It's tasty!* Schools now have more variety to choose from when deciding what to offer your children for breakfast.
  - ◆ *It's good for the brain!* Research suggests that not having breakfast can affect children's intellectual performance (CDC).

**BREAKFAST**

## TREYNOR COMMUNITY HIGH SCHOOL

### BAND UNIFORM FUND DRIVE

To the Community of Treynor and Alumni of Treynor Community Schools, The Treynor Community School District and Treynor Music Boosters are proud to announce the start of the Cardinal Band Uniform Fund Drive, with the purpose of raising money for new band uniforms for the 2020-2021 school year.

Over the past three decades, the Treynor High School band has grown to be recognized as one of the top musical performing groups in the state of Iowa. Through the years, the dedicated students of the program have amassed over 80 Division I ratings at state music festivals in the combined areas of concert, marching and jazz band. The jazz band has placed first at the Iowa Jazz Championships four times, and the marching band has received numerous awards at the Southwest Iowa Band Jamboree and the Loess Hills Fieldfest. In addition, they have earned 29 consecutive Division 1 ratings at state contest. The cornerstone of our program, the concert band, is considered one of the best ensembles in the area.

Our current uniforms, which were purchased in 2008, are beginning to show their wear. And, due to increasing enrollment in the band program, we do not have enough uniforms for each member to wear. The students and music boosters are hard at work fundraising for this project, but with a cost of over \$40,000 for 100 uniforms, your help is needed.

On the attached form, you will see a cost breakdown for each uniform part. You can donate money for any or all of the uniform parts that you wish. Those patrons who donate the cost of an entire uniform will, with their consent, have their names engraved on a plaque that will be on display in the music department awards case. Patrons may also dedicate their donation in honor of a family member, friend, or loved one. To see the new uniform sample, go to [www.treynorschools.org](http://www.treynorschools.org), and click on the "highlights" page. Donations will be accepted through the TS Community Foundation or Treynor Music Boosters ([paypal.me/TreynorMusicBoosters](https://paypal.me/TreynorMusicBoosters)). Only donations made through the Foundation are tax deductible. If you have any questions regarding our uniform fund drive, please contact director Jeff Schoening at Treynor High School, 712-487-3804 or [jschoening@treynorcardinals.org](mailto:jschoening@treynorcardinals.org).

Thank you for your continued support of Treynor Community Schools and its students.

### Treynor Band Uniform Fund Drive

Uniform Cost Breakdown:

Jacket: \$170 Plume: \$28 Trousers: \$88 Waist Drape: \$62 Hat Wrap: \$38  
Gauntlet Cuffs: \$24

**Total Cost: \$410**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Amount Donated: \$ \_\_\_\_\_

Do you wish to have a receipt sent to you? Y/N

Please send all donations, along with this form to: TS  
Community Foundation Attn: Mary Jewell 43 Scott Street  
Council Bluffs, IA 51503

Checks can be made out to TS Community Foundation. Be sure to note Treynor Band Uniform in the memo so it can be designated to the proper fund. Checks can also be dropped off at TS Bank in Treynor.

\*If donating amount for a full uniform, please use the space below for the name or information you wish to be included on the plaque name plate. Thank you.
