"District Details" ... a few notes from Superintendent Elwood

Thanks for another TERRIFIC year!

As the 2016-17 school year draws to a close, I want to thank all of the students, teachers, staff, parents, administrators, school board members and community for another great year. Due to the commitment that each of you has made this year, the students at Treynor Community Schools have been able to learn, grow and experience success in a caring and supportive environment.

School will dismiss for the summer on Friday, June 2nd. Students will be released at 11:00 a.m. on this day. *Breakfast will be available; however, lunch will not be served.* Have a fantastic summer!

School's out
Friday, June
2nd at
11:00 a.m.

Parents~ You have 81 days of summer to enjoy before classes will be back in session! ☺ Registration for the 2017-18 school year will be held on Tuesday, August 1st, in the high school commons. Parents may register students from 8:00 a.m. – 1:00 p.m. or from 4:00 p.m. – 7:00 p.m. The first day of school will be Wednesday, August 23rd, with school dismissing at 1:00 p.m. A copy of the 2017-18 school calendar is available on the District's website.

Special points of interest:

- ✓ Last day of school will be Friday, June 2nd.
- ✓ School will be dismissed at 11:00 a.m. on the last day.
- ✓ Registration for 2017-18 will be August 1st.
- ✓ All fees must be paid and lunch accounts must have a positive balance on the last day in order for students to checkout.
- ✓ Congratulations to Coach Hartigan—you will be missed!

This year is unique as we do not have any classroom teachers retiring. However, we do have one head coach that has recently submitted her resignation. Gail Hartigan plans to step down as the head basketball coach at Treynor after leading the girls' basketball program for the past 36 seasons. Mrs. Hartigan will be missed as the head basketball coach, but still plans to continue as the head girls' track coach. When you see Coach Hartigan at school, or in the community, please tell her thanks for the many years of service she has dedicated to our students.

◆ **Gail Hartigan ~ 36 years of service** (*Head Girls' Basketball coach*)

I also want to acknowledge those that have indicated they will not be returning to teach at Treynor Community Schools next year. We appreciate the service and impact these individuals have provided to our students during their time at Treynor and wish them continued success with their future endeavors.

◆ **Sophia Al-Khanfar ~ High School Spanish teacher**

◆ **Valerie Jaehrling ~ High School Science teacher**

The Treynor community has a MARVELOUS school district for which I know we are all proud. The success of this district is due to the hard work and support of everyone mentioned above.

Have a FUNtastic summer!

Mr. Elwood

THIS TO HOST MOCK CRASH

On Friday, May 5, 2017, a simulated accident with live students acting as vehicle drivers and passengers will enact a post-collision event. This educational effort is to show the process and potential suffering of a major vehicle collision scene. Treynor students near or at driving age in Middle School and High School will be the target audience (8th through 12th Grade). While serving as an educational tool for students, this event is also a training exercise for the emergency response professionals. Student victims of the crash will be volunteer actors arranged by the Treynor Junior Optimist Club. Real rescue workers, sheriff deputies, Highway Patrol Troopers, and others will follow the all-too-routine procedures needed in such horrific situations.

This will be a student activity sanctioned by the school on school time. Students will have time to return to their Card Pride homerooms following the activity to discuss the event.

This is an event coordinated by Junior Optimists, Keep Kids Alive Drive 25 Committee, Iowa Highway Patrol, Treynor Fire & Rescue, Pottawattamie County Sheriff's Office and Hoy Kilnoski Funeral Home.

TREYNOR SPLASH PAD

Please support the Treynor Splash Pad on Wednesday, May 24th through Omaha Gives/Pottawattamie Gives! Only \$17,000 more is needed to reach the \$50,000 goal for the summer project! TS Community Foundation is a participant in Omaha Gives/Pottawattamie Gives and has selected Treynor Splash Pad as this year's recipient.

Omaha Gives/Pottawattamie Gives! is a one-day online fundraising event organized by the Omaha Community Foundation to raise support for nonprofits in Douglas, Sarpy and Pottawattamie Counties. It is a community-wide event to show off the area's spirit of giving, raise awareness about local nonprofits and celebrate the collective effort it takes to make our communities great. Last year, the event raised over \$500,000 for Pottawattamie County nonprofits.

To give to the Treynor Splash Pad please visit OmahaGives.org and select "nonprofits" on the home page, then in the search box type "Treynor Splash Pad". You can then make your gift online via debit card, credit card, or electronic check. For questions contact Kristi Waffle at kristi.waffle@tsprosperity.com or Wendy Andersen at wendy@victorypilates.com.

TEACHER APPRECIATION WEEK

The first week in May, May 1-5th, has been designated as a special time to honor the men and women who lend their passion and skills to educating children. Teachers play a key role in student success and sometimes a simple "thanks" is all a teacher needs to feel valued. We are very proud of our teachers and appreciate their sacrifices and support for our children throughout the year. Please take the time to celebrate your students' teachers during this week.

FROM THE ELEMENTARY PRINCIPAL'S DESK

It's hard to believe that we are entering our last month of the school year. I am so proud of our elementary students and the progress that they have made! During the month of April, we completed our annual Kindergarten Roundup, Kindergarten trip to Stephen Fite and Rose Theater, 1st Grade Spring Music program, Mother and Daughter night, 5th Grade Band Concert, 5th Grade Woodmen Speech Contest, 5th Grade Arbor Day project, Mrs. Robinson's Class of the Month Pizza Party, and a visit from St. Paul's Preschool. The 5th grade students also had the opportunity to tour the middle school and see what life will be about next fall. ☺ We are really looking forward to our K-3 Field Day on May 5th and our 4-6 Track Meet on May 12th.

As we head down the home stretch, please let me know if you have questions or concerns about your children's education. Feel free to stop in anytime, call or email: 712-487-3422 or jkay@treynorcardinals.org.

Check out all of our current middle school activities!

I would like to share some of the things that took place over the past month and what we are looking forward to as we head down the homestretch to this school year.

We had five of our sixth graders attend the South West Iowa Math Bee in Logan. Our Treynor team received fourth place, just one point from third place, out of twenty-four teams, many of them being much larger districts! Those students that participated are as follows: Carl Swalwell, Alan Young, Sam Burmeister, Clara Teigland and Tyler Reelfs. Individual Awards were given to the top twenty-five individuals in which Tyler received third place overall and Carl received sixteenth place. Congratulations for a very good performance!

Ms. Rommel had all 8th graders participate in the Optimist Club Speech Contest whose topic was "What the World Gains from Optimism." On Thursday, March 30th, ten students from eighth grade were selected to move on to the second round. Those students were as follows: Duncan Clark, Ty Kline, Sid Schaaf, Devin Vorthmann, Caden Waffle, Malloy Helvie, Sierra Anderson, Haedyn Jorgenson, Rachael Phelps and Mandy Stogdill. Our local Optimist Club Contest place winners were for the boys: 1st, Duncan Clark; 2nd, Caden Waffle; 3rd, Devin Vorthmann. For the girls: 1st, Malloy Helvie; 2nd, Mandy Stogdill; 3rd, Sierra Anderson. Duncan Clark and Mandy Stogdill will compete in Des Moines on Saturday, April 22nd at the district finals.

Ms. Rommel, Mrs. Stogdill and Mrs. Thompson all helped with the Middle School Quiz Bowl this year. Nine teams competed in the opening round held at Treynor Middle School, which is the highest interest we have had for the past ten years! Four teams moved on to compete during the second round of competition in Treynor and only the top two teams had the opportunity to advance to the WIC competition. On Tuesday, March 28th, these two groups of Treynor Middle School students went to compete at the WIC Quiz Bowl in Logan and both teams did a great job of competing. The girls took fifth place and the boys brought home the first place trophy! These two teams consisted of Treynor A: Delaney Waterman, Melanie Terry, Hailee Poland and Kaylee Dyke, and Treynor B consisted of Duncan Clark, Jonas Keay, Caden Waffle and Corey Coleman. Way to go Cardinals!

We plan to finish our year off with an Awards Ceremony celebrating accomplishments of what took place during our school year. As of now, we plan to have this on Thursday, June 1st. Please read above for other end of the year events that will also take place.

Thanks for all of your support and as always, please don't hesitate to call or email if you have any questions or concerns.

Mrs. Berens
Middle School Principal

THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL.....

MR. McNEAL

This is the last newsletter of the 2016-2017 school year and I want to congratulate our students on their many accomplishments. From championships, to state qualification to academic performance, our students excelled in many areas.

I wish the Class of 2017 good luck in all their future endeavors and want them to always remember that they will always be part of the "Treynor Nation". We are proud of your many accomplishments!

I would like to commend Joan Palmquist and the Junior Class Officers for providing an excellent 2017 Prom. Their organization and preparation was very well done! From my observations, the students had a great time! I would also like to thank the Junior Class parents for providing an excellent post prom experience. Their hard work will provide very many positive memories for all who attended.

As the spring sports finish their seasons, I'm looking forward to watching them compete at their highest level. I wish them good luck on their quests to qualify for state.

The summer sports teams will start practice soon and their seasons will begin toward the end of the month.

Congratulations to Zach Mass being chosen to represent Iowa at the National 4H Conference in Washington, D.C. March 27-30. He was one of five students chosen out of the almost 300 that applied. Zach was also recently named a Runza "Student of the Week".

Congratulations to Brett Daley for setting a new school record in the long jump.

Brooklyn Houser, Caitlyn VanRiper, Jessica Vohs and Konnor Sudmann placed first in the High School Division of the Womens' History Month Video Contest which was sponsored by the Iowa Department of Human Rights. Here is a link to the video: <https://youtu.be/m0uZVtuvXjU>.

"Mock Traffic Accident"

We will have a "Mock Traffic Accident" on Friday, May 5, beginning at 1:30 p.m. on the south side of the school parking lot to illustrate the dangers of drinking and driving. This event will be very realistic with the Pottawattamie County Sheriff's and the Treynor Fire Departments responding as if it was a real accident, including the Life Flight helicopter, depending on the weather.

While the scene will appear tragic and realistic, IT IS NOT A REAL ACCIDENT. This is a teaching tool to show students the consequences of drinking and driving. Nobody will be hurt despite being loaded into an ambulance, hearse and helicopter.

We will do our best to be sure this information gets to the public before the event. Please help us distribute this information by "spreading the word".

NEW IMMUNIZATION REQUIREMENT FOR 12TH GRADE

Dear Parent/Guardian,

The Iowa Department of Public Health has made changes to the Iowa Immunization law for the start of the 2017/18 school year. This change requires that all students entering 12th grade have the Meningococcal vaccine before school starts this fall.

Meningococcal disease is a life threatening illness that is caused by bacteria that infects the brain, blood, and spinal cord. It easily spreads in crowded settings and typically affects older teens and young adults.

All students entering 12th grade must have proof of having the Meningococcal vaccine **before school starts in August**, unless the student has a Certificate of Immunization Exemption.

There will be **no** grace/extension period for the implementation of this requirement.

Now is a great time for your child to receive these immunization requirements and beat the back-to-school rush by making an appointment for your incoming 12th grader.

If you have questions, do not hesitate to contact me at 712-487-3181 ext 1121 or cyoung@treynorcardinals.org.

Thank you for your time and attention to this requirement,

Cory Young RN, BSN

COMMIT TO BE FIT!

Even small changes in your routines can make a difference in your family's health.

- ✓ Try to eat a nutritious breakfast every day
- ✓ Shop around the edges at the grocery store
- ✓ Whole grains give you more health for your money
- ✓ Try to drink more water, especially as the days get warmer
- ✓ Enjoy mealtime together with your family

USDA is an equal opportunity employer and provider.

SCHOOL BOARD MISSION STATEMENT

The goal of Treynor School Board of Education is that every child succeeds. Therefore, the Treynor School Board of Education promises to provide necessary policies, programs, procedures, and resources needed to provide a culture that respects the individual needs of every child. We promise to provide a safe, caring, creative, and engaging learning environment for every child. We promise to promote the social, emotional, physical, and intellectual development of every child. We promise to provide an ethical, respectful, competent, and compassionate staff that values students' rights and helps students become ethical, respectful, competent, and productive members of the community.

REGISTRATION DAY—AUGUST 1, 2017

Registration Day for the 2017-18 school year will be Tuesday, August 1 from 8:00 a.m.—1:00 p.m. and from 4:00 p.m.—7:00 p.m. in the High School Commons. In order to accommodate those who absolutely cannot attend on this day, an alternate time will be made available. Details will be in the next newsletter. However, please be advised that during this alternate time, there will only be one secretary available to receive payments and distribute forms. "Drop-in" registration in the school offices will not be available.

MAY—SCHOOL BOARD RECOGNITION MONTH

As citizen leaders, school board members face complex and demanding challenges. Yet few people fully understand the scope and far-reaching implications of board members' responsibilities. All Iowa citizens should recognize the vital contributions of these men and women and focus attention on the crucial role these elected public officials play in the education of our children. Their job is to establish a vision for the education program, design a structure to achieve that vision, ensure schools are accountable to the community and strongly advocate continuous improvement in student learning. That job entails an endless string of meetings and school functions to attend; reams of reports, agendas, proposals and other information to read and study; and a host of difficult decisions to make.

School board members come from all walks of life, yet they share a common goal—excellence and equity in public education. Although they may individually disagree on certain issues, their role as a board is to consistently strive toward that goal.

Board members contribute thousands of hours each year leading their districts. Whether they are crafting policies, hiring top-notch administrators, listening to staff and student concerns or recognizing outstanding programs, board members always keep their eyes on the goal of student achievement. The time spent in board meetings represents just a small fraction of the hours school board members spend leading in their districts. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extracurricular events. They are truly advocates for the children of our state.

In recognition of the dedicated service of Iowa school board members, May has been designated School Board Recognition Month by the Iowa Association of School Boards. Please join us by saying "thanks" to our school board members and recognizing their efforts throughout the year.

SIXTH & NINTH GRADE ORIENTATIONS

Orientation for sixth and ninth grades will be held this spring.

Orientation for students going into sixth grade next August and their parents will be held on Wednesday, May 10th at 6:00 p.m. in the auditorium. This will include a tour, presentation of information and a time for questions and answers.

Orientation for students going into ninth grade next August and their parents will be held on Monday, May 22nd at 6:00 p.m. in the auditorium. This will include a tour, presentation of information and a time for questions and answers.

NEW IMMUNIZATION REQUIREMENT FOR 7TH GRADE

Dear Parent/Guardian,

The Iowa Department of Public Health has made changes to the Iowa Immunization law for the start of the 2017/18 school year. This change requires that all students entering 7th grade have both a Meningococcal vaccine and a Tdap (Tetanus, Diphtheria, and Pertussis/whooping cough) booster before school starts this fall.

The Tdap requirement has been put in place since the 2013/14 school year and requires a booster dose of Tetanus, Diphtheria, and acellular Pertussis containing vaccine for students entering 7th grade, *regardless of the interval since the last Tetanus/Diphtheria containing vaccine*. Pertussis (whooping cough) is a very contagious disease that causes violent coughing fits that make it hard to breathe.

Meningococcal disease is a life threatening illness that is caused by bacteria that infects the brain, blood, and spinal cord. It easily spreads in crowded settings. The vaccine will be required prior to both the 7th and 12th grades.

All students entering 7th grade must have proof of having both the Meningococcal and the Tdap vaccines **before school starts in August**, unless the student has a Certificate of Immunization Exemption.

There will be **no** grace/extension period for the implementation of this requirement.

Now is a great time for your child to receive these immunization requirements and beat the back-to-school rush by making an appointment for your incoming 7th grader.

If you have questions, do not hesitate to contact me at 712-487-3181 ext 1121 or at cyoung@treynorcardinals.org.

END OF THE SCHOOL YEAR FEES

Just a reminder with the end of the school year approaching—all lunch accounts must have a positive balance on the last day of school. Students who have a negative lunch balance will not be able to sign out for the year. Fees will also be due for Industrial Tech. classes and projects (check the bulletin boards in the commons for the list) and laptop repairs.

It is possible once textbooks are turned in at the end of the year that your student may be asked to pay a book fine or a book rebinding fee due to damage to a textbook.

If you have any questions or need to check on your student's fees, please call any of the school offices: Middle School, 712-487-3181; High School, 712-487-3804; Superintendent's Office, 712-487-3414.

This will be the last newsletter for the 2016-17 school year. The first newsletter for the 2017-18 school year will be available online or mailed before the end of July. It will contain information for registration and for the 2017-2018 school year.

Have a great summer!
