

## STANDING COMMITTEES

The board recognizes that it is difficult for all of the board members to become knowledgeable in all the details of the areas over which the board has responsibilities. The superintendent shall work with the standing committees. The standing committees shall have access to employees. The chairperson of the standing committee shall ensure that committee work does not interfere with routine school operations.

The standing committees should consist of the following:

- Facilities, including Transportation/Building and Grounds
- Labor Management, including Negotiations
- Curriculum, including SIAC
- Finances, including Auditing/Monthly Review of Bills
- Board Policy Review and Legislative Action Network, including Delegate Assembly
