

DISTRICT OPERATIONS DURING A PUBLIC HEALTH EMERGENCY REGULATION

During a public health emergency, the district will seek guidance and recommendations from federal, state and local agencies that monitor and respond to the emergency. The district will follow any mandatory closures or other mandatory measures imposed by such agencies.

The superintendent, in conjunction with relevant government agencies and/or athletic and activity associations, will determine under what circumstances the district will restrict or cancel in-person learning, student events or activities including sporting events, extracurricular clubs or meetings for students, and the use of district facilities by outside organizations.

The district will promote and follow other recommended measures and guidance from federal, state and local agencies to the extent reasonably practicable under the circumstances. These measures may include, but are not limited to the following: On-line learning, hybrid models of learning, or modified in-person learning, dependent on the circumstances and in accordance with applicable law.
