

EQUAL EMPLOYMENT OPPORTUNITY

The Treynor Community School District will provide equal opportunity to employees and applicants for employment in accordance with applicable equal employment opportunity and affirmative action laws, directives and regulations of federal, state and local governing bodies. Opportunity to all employees and applicants for employment includes hiring, placement, promotion, transfer or demotion, recruitment, advertising or solicitation for employment, treatment during employment, rates of pay or other forms of compensation, and layoff or termination. The school district will take affirmative action in major job categories where women, men, minorities and persons with disabilities are underrepresented. Employees will support and comply with the district's established equal employment opportunity and affirmative action policies. Employees will be given notice of this policy annually.

The board will appoint an affirmative action coordinator. The affirmative action coordinator will have the responsibility for drafting the affirmative action plan. The affirmative action plan will be reviewed by the board at least every two years.

Individuals who file an application with the school district will be given consideration for employment if they meet or exceed the qualifications set by the board, administration, and Iowa Department of Education for the position for which they apply. In employing individuals, the board will consider the qualifications, credentials, and records of the applicants without regard to race, color, creed, sex, national origin, religion, sexual orientation, gender identity, age or disability. In keeping with the law, the board will consider the veteran status of applicants.

Prior to a final offer of employment for any position the school district will perform checks required by law. *The district may determine on a case-by-case basis that, based on the duties, some positions within the district will require more thorough background checks.* Based upon the results of the background checks, the school district will determine whether an offer will be extended. If the candidate is a teacher who has received an initial license from the BOEE since then the requirement for a background check is waived. The district will perform repeat background checks on applicable employees as required by law.

Advertisements and notices for vacancies within the district will contain the following statement: "The Treynor Community School District is an equal employment opportunity/affirmative action employer." The statement will also appear on application forms.

Inquiries by employees or applicants for employment regarding compliance with equal employment opportunity and affirmative action laws and policies, including but not limited to complaints of discrimination, will be directed to the Affirmative Action Coordinator by writing to the Affirmative Action Coordinator, Treynor Community School District, Treynor, Iowa 51575; or by telephoning 712-487-3414. Formal complaints and informal reports regarding sex discrimination, including sexual harassment, will be subject to the Title IX grievance process (see the Title IX Grievance Procedure regulation).
