

Treynor Community School District Over the Counter Medication Agreement

By indicating my response in the JMC Parent Access Registration Portal for my child(ren), I agree to the following:

If I indicated that a school nurse has my permission to administer over-the-counter treatments (such as Tylenol, Tums, or anti-itch cream, etc.) as needed by my child while he/she is at school, I sign digitally within the Parent Registration Signature Portal to give this permission.

Note: With permission, this medication will be administered if determined to be beneficial for the child to be productive during school hours. If the student has taken more than 4 doses per month, a physician's recommendation may be requested.
