

Treynor Elementary News

Issue No. 4 | March 2022

A Note From Ms. Kay

March is a busy time of year at the elementary school. I encourage all parents to attend our Parent-Teacher conferences which will be held on March 15 and 17th. State-wide testing for students in grades 3rd thru 5th is also nearing. This year ISASP testing will take place the week of March 28th. Be looking for information sent home soon regarding both conferences and testing.

Elementary News

There is some exciting news to share from the month of February. Austin LaMantia won the Cool Hoop Shoot district contest on Sunday, January 30th. With a first place win, he now competes in Iowa City on March 19th. Way to go and Good Luck, Austin!

Also in February, these students won our local Invention Convention:

Book Buddy by- Talin, Eli, Casen, and Boston

Super Secret Storage by- Zoey, Tenley, And Joslynn

Bath Buddy by- Lyla W.

All students in grades 3-5 will be taking the ISASP tests from March 28-April 1. Please help your child(ren) be successful by making sure they are well rested and ready to do their best. Watch for more information as this approaches.

By: Kendall & Abby

Specials

Mrs. Campbell will be finishing up the gymnastics/parkour unit before moving on to basketball. She has a fun school-wide activity for March Madness! Miss Weis will be glazing pottery by the end of the month. She will also be working on final projects and preparations for Night of the Arts.

Mr. Stinman is working on final preparations for the 2nd & 3rd grade concerts, as well as rhythmic concepts with 5th, melodic concepts with 4th, so-mi melodys with 1st, and early rhythms with kindergarten.

Extras

Mrs. Endriss is working with 4th and 5th grade math students to prepare them for a competition in April. 5th grade writing enrichment is working on writing an editorial piece for the New York Times.

Mrs. Currin is focusing on career awareness and exploration with the students during her meeting times. Mrs. Nelson will be using Book Creator with 2nd graders in technology. She will also be holding a Spring Book Fair for Treynor families.

Kindergarten

Kindergarten will continue working hard on math and reading!

They will also be celebrating Dr. Seuss's Birthday on March 1st with a program from the Omaha Children's Museum called "Seuss-Sastion Science"!

By: Avery and Irelyn

Third Grade

In social studies they will be learning about migration and in science they will be learning about the weather. In math they will be learning about measurement. Make sure they read 20 min every night.

They will be having their music program March 31st that they have been working very hard on.

By: Lyla and Dakota

First Grade

First grade celebrated "Twosday" on 2-22-22 by making time capsules. They will open them on 3-3-33 when they are seniors in high school.

The Rose Theater is coming to the Treynor first graders to do a workshop that will go with the performance from when they went to the theater last month.

They're doing Junior Achievement Lessons in their classrooms.

By: Charlie and Jarret

Fourth Grade

In writing, students will be finishing up their opinion writing. They will also be reading an article with two sides to it, then students will write about how they feel about both sides.

In science, kids will be learning about volcanoes, landslides, mountains, and fossils. They will start a unit about the Industrial Revolution. They will also be doing an escape room about building a tower for the pot of gold to help Clover the Leprechaun.

In math, they will be comparing, ordering, and rounding multi-digit whole numbers within 1,000,000. They will also be adding and subtracting multi-digit whole numbers using the standard algorithm. Students will start Unit 5 with measurement and conversions.

By: Bailey and Boston

Second Grade

They will have their *The Circles Around Us* music concert on the 24th in the high school auditorium.

This month they will also have conferences and report cards will be sent home.

They will also be working on Dr. Seuss activities.

By: Talin and Myles

Fifth Grade

In Science and Social Studies they are doing matters and economics.

In writing they are wrapping up their opinion essays. Then they will begin their fictional narratives.

In math they are working with decimals by adding, subtracting, multiplying, and dividing them.

In reading they will be summarizing fiction and non-fiction books.
